To Drummond Group:

For public release and exact language used for our website and marketing distributions:

Costs or Fees

This certified product-version may require additional fees for the following services in addition to the base system.

DoseSpot Electronic prescription service – This service provides electronic prescription capabilities as well as drug to drug and drug to allergy interaction services.

This service has an annual fee currently set at \$650 per provider or \$800 if you require electronic prescription of controlled/narcotic substances.

Contractual Limitations

This certified product-version requires maintaining an annual service, support & licensing agreement that meets our End User License agreement terms located at <http://www.nomoredictation.com/EULA>. questions regarding our EULA or our annual service, support & licensing agreement should be sent to support@nomoredictation.com. Empower Technologies, Inc does not limit which other services the provider may utilize contractually.

Phone: (941) 315 - 9946

E-mail: Support@nomoredictation.com

Technical or Practical Limitations

"This certified product-version requires the use of computers utilizing Microsoft Windows and Microsoft Office 2007 or newer. Clients are responsible for hardware and additional software maintenance.

SonoSoft is setup to interact specifically with Dynamic Health IT's portal (cost is included in purchase of SonoSoft) the system is also setup to interact directly with Dosespot for electronic prescriptions. While we do not limit client options contractually, our system does not support electronic prescriptions or portal support with any other third party systems at this time.
